County Health Officer Arthur Brown was in town Friday on a complaint of one of the residents of the village

that the sanitary conditions of the town were not properly looked after. Health Officer Brown held a meeting in the office of Dr. A. M. Purdy, health

officer for the town of Groton and Health Officer C. F. Congdon of the town of Stonington was present. Af-

ter a lengthy discussion and a visit to several places in the town County Of-

ficer Brown could not see where the

work of the local officers could be

changed much stating that he found

the town in good sanitary condition. Doctors Longdon and Purdy have look-

ed after the interest of the town and

have worked hard to keep conditions at a high standard.

Blotchy All Over, Became Scaly. Scratched Until Made Them Bleed. Used Cuticura Soap and Ointment, Face and Head Cured.

24 Gilbert St., New Britain, Conn. -"My little boy's face used to get awful red and sometimes when I used to wash it it would bleed. Then it got blotchy all over and was horrid tooking. His face broke out in red spots and then became scaly. He used to scratch them until he would make them bleed. Then his head started to break out. He was restless at night and complained of his face being sore. His head was all little cuts from scratching it.

"So I thought I would send for a sample of the Cuticura Soap and Ointment. I only used them for a few days when there was such a change in his tooks. His face began to get clear. When the sample was gone I got one cake of Cuticura Soap and one box of Cuticura Ointment. I washed his face with the Cuticura Soap and warm water every night and morning and applied the Cuticura Ointment for four weeks and his face was cured. I got another cake of Cuticura Soap and one box of Cuticura Ointment and was only using them for two weeks and they made his scalp nice and clean. His head was cured." (Signed) Mrs. Isabelle Guenther, May 26, 1913.

For treating poor complexions, red, rough hands, and dry, thin and falling hair, Cuticura Soap and Cuticura Ointment have been the world's favorite for more than a generation. A single set is often sufficient. Sold by druggists and dealers throughout the world. Liberal sample of each mailed free, with 32-p. Skin Book. Address post-card Cuticura, Dept. T. Boston."
